ORGANIZATION

of the City Government

Tuesday, March 27, 1934.

At ten o'clock in the forenoon of the above date, members-elect of the city council for the municipal year of 1934, and the members from the previous council, met for organization at the city council room agreeably to the provisions of the city charter.

The oath of office was administered to the Mayor-elect, Hon. Charles E. Carroll, by Arthur H. Nighswander, Esq., after which Mayor Carroll assumed the duties of his office. The oath of office was also administered to the following councilmen by Mr. Nighswander.

Ward 1—George W. Tarlson

Ward 2—J. Aime Dickner

Ward 3—Howard W. Byse

Ward 4—George C. Stafford

Ward 5—Henry I. Burbank

Ward 6—Frank D. Sleeper

Prayer was then offered by the Rev. H. Carl Steinheimer after which the Mayor delivered his inaugural address.

INAUGURAL ADDRESS

Members of the City Council, Ladies and Gentlemen:

The taxpayers of Laconia elected you men as members of the City Council and myself as Mayor—because they had confidence that we would conduct city affairs in a business like manner. The past year 1933, we paid \$40,-250.00 on the indebtedness making a total reduction of \$174,000 within the last four years, without any bond issues. I would recommend to the Members of the Council that they consider the property owners' interest this year the same as they did last as they are the ones that have to pay the bills.

I have recommended that the tax assessors make another reduction in the valuation of real estate this year.

I wish to publicly thank all those who paid their taxes in advance last year and especially Scott & Williams, who have paid us \$30,000.00 on 1934 taxes, yesterday.

I wish to thank all those who came out to vote on election day and especially the elderly people.

During the coming year the meetings of the City Council will continue to be opened with prayer.

CHARLES E. CARROLL,

Mayor.

MUNICIPAL REGULATIONS

for payment of bills against the city

All bills against the city must be approved by the persons authorizing the charge; unless this is done, no action can be had upon the bill by the committee on accounts and claims, and no order will be given for its payment.

When bills are certified to as above, and left with the City Clerk not later than Thursday at 12 o'clock M., preceding the last Monday of each month, they will be audited by the committee on accounts and claims, and if approved by them and allowed by the Council, will be ready for payment on the following Wednesday, at the office of the City Treasurer.

Meetings of the committee on accounts and claims are held on Friday preceding the last Monday of each month at 7:30 P. M., at the City Clerk's Office.

CITY GOVERNMENT

LACONIA, N. H.

Inaugurated fourth Tuesday of March, yearly. Stated meetings: The last Monday of each month at 7:30 o'clock P. M., at city council room, 68 Pleasant Street.

Pas-ed and approved April 30, 1934.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and Thirty-Four:

A RESOLUTION raising money by taxation for the year ending February 15, 1935.

Resolved by the City Council of the City of Laconia, as follows:

That there shall be raised and there is ordered to be raised on the polls and estate liable to be taxed within said City the sum of four hundred fifty-seven thousand eight hundred fifty-eight and thirty-one hundredths (\$457,-858.31) Dollars to defray the necessary expenses and charges of the city for the financial year ending February 15, 1935.

Passed and approved April 30, 1934.

CHARLES E. CARROLL,
Mayor

In the Year of our Lord one thousand nine hundred and Thirty-Four:

A RESOLUTION authorizing the Mayor to sign a deed conveying Endicott Rock Park, so-called, to the State New Hampshire.

Be is Resolved by the City Council of the City of Laconia as follows:

That the Mayor of the City of Laconia be and is hereby authorized to make and execute a deed to the State of New Hampshire of the Endicott Rock Park, so-called, situated at the Weirs, so-called, in said Laconia.

Passed and approved, May 28th, 1934.

CHARLES E. CARROLL,
Mayor.

In the Year of our Lord one thousand nine hundred and Thirty-Four:

A RESOLUTION authorizing temporary loans to an amount not exceeding Two Hundred Thousand Dollars in anticipation of the taxes of the present Municipal year.

Resolved by the City Council of the City of Laconia, as follows:

That for the purpose of meeting current expenses of the City, the City Treasurer be and hereby is authorized and empowered to make temporary loans from time to time for the use of said City of sums not exceeding the aggregate amount of \$200,000.00, said loans being in the anticipation of the taxes of the present municipal year and hereby expressly made payable therefrom, and to give for such loan subject to the written approval of the Committee on Finance, notes of the City, each note to become due and payable within one year from its date. Said notes shall be signed by the Mayor, and City Treasurer and countersigned by the City Clerk, shall be registered in the books kept for that purpose in the offices of the City Treasurer and City Clerk respectively.

This resolution shall take effect upon its passage.

Passed and approved June 19, 1934.

CHARLES E. CARROLL,

Mayor.

In the Year of our Lord one thousand nine hundred and Thirty-Four:

AN ORDINANCE authorizing the Chief of Police to designate parking places for taxies in Veterans Square.

Be it ordained by the City Council of the City of Laconia, as follows:

Section 1—The Chief of Police of the City of Laconia is hereby authorized to designate and cause to be marked off in Veterans Square parking spaces to be used exclusively by taxis.

Section 2—It shall be unlawful for any person, firm or corporation to park a motor vehicle in any space so designated.

Section 3—Any person, firm or corporation violating any of the provisions of this Ordinance shall be punished by a fine not exceeding five dollars.

Passed and approved, May 28th, 1934.

CHARLES E. CARROLL,
Mayor.

*In the Year of our Lord one thousand nine hundred and
Thirty-Four:*

AN ORDINANCE relating to the licensing of motor vehicles for the carrying of passengers for hire.

*Be it ordained by the City Council of the City of Laconia,
as follows:*

Section 1—No person, firm or corporation not authorized thereto by the Public Service Commission of the State of New Hampshire, shall carry any passenger or passengers for hire or for any consideration whatsoever by any motor vehicle within the limits of the City of Laconia without first having obtained therefor a license from the Mayor and City Council.

Section 2—The Mayor and City Council, upon application, shall issue a license required by Section 1 hereof to any person, firm or corporation who shall apply therefor, who has filed with the City Clerk an insurance policy

issued by any company authorized to do business in the State of New Hampshire, providing for the payment of damages caused to any person or property through any default or negligence in the operation of the licensed vehicle, in an amount to at least five thousand (\$5,000) dollars for one person and ten thousand (\$10,000) dollars for two or more persons of the number of passengers said vehicle is licensed to carry, and to an amount of five thousand (\$5,000) dollars for property damage, upon payment by the applicant of a license fee of ten (\$10) dollars, plus one (\$1.00) dollar for each of the number of passengers said vehicle is licensed to carry.

Section 3—Applications for licenses hereunder shall be made in writing, and shall set forth the name and residence of the applicant, the make, number and seating capacity of the vehicle desired to be licensed, the number under which the motor vehicle is registered by the Commissioner of Motor Vehicles of the State of New Hampshire, and the number of passengers the applicant desires said vehicle licensed to carry.

Section 4—Licenses issued hereunder shall continue in effect until the end of the calendar year during which they are issued, unless sooner revoked by the Mayor and City Council. The Mayor and City Council shall revoke any license issued hereunder if the insurance policy required before the license is issued expires or is cancelled, or the insurance company issuing the same shall cease to be authorized to do business within the State of New Hampshire. A license issued hereunder may be revoked by the Mayor and City Council at any time for cause.

Section 5—Any person, firm or corporation violating the provisions of this ordinance shall be fined not exceeding twenty (\$20) dollars for each offense.

Section 6—An ordinance passed and approved June 16, 1915 entitled, "An ordinance relating to the licensing of motor busses and regulating the operation thereof in the City of Laconia," is hereby repealed.

Section 7—This ordinance shall take effect upon its passage.

Passed and approved December 31st, 1934.

CHARLES E. CARROLL,
Mayor.

*In the Year of our Lord one thousand nine hundred and
Thirty-Four:*

AN ORDINANCE repealing on Ordinance entitled, "An Ordinance relating to the licensing of motor vehicles for the carrying of passengers for hire."

*Be it ordained by the City Council of the City of Laconia,
as follows:*

1. An Ordinance entitled, "An Ordinance relating to the licensing of motor vehicles for the carrying of passengers for hire," passed and approved December 31, 1934, is hereby repealed.

Passed and approved January 28, 1935.

CHARLES E. CARROLL,
Mayor.

REPORT OF THE SCHOOL BOARD

To the Honorable Mayor and Council:

The School Board appreciates your consideration and co-operation in studying the needs of the school department and granting a more reasonable appropriation to conduct the business this year.

In the following pages you will find a concise report of finances, conditions, and activities in our public schools compiled by your Superintendent. I hope everyone in our City will read these records carefully. For it is the purpose of the Board to offer a high grade but practical school to the boys and girls of this community.

The subject of a supplementary building at high school should not be discarded. Every parent knows the value of an orderly schedule, the opportunity of classroom study and recitation, and has the privilege of knowing that the child is either in school or at home. The present conditions do not permit these rights. The surveys have shown that the other school buildings could not house the great number of pupils. In behalf of the anxious parent and the obligation we owe posterity. I urge you to recommend this matter to the incoming city officials for their serious and deliberate consideration

Laconia School Board,

(signed) Mertie C. Lougee,
Chairman.

FINANCIAL STATEMENT

Year ending June 30, 1934

RECEIPTS

Income from local taxation:

For the support of schools	\$90,000.00
For the payment of principal of debt	11,250.00

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Laconia:

Your attention and the attention of the citizens of Laconia is called to the following table which shows the growth of the schools of Laconia during the last decade.

Table No. 1

AVERAGE MEMBERSHIP

Years	Grades 1-6	7-8	9-12	Totals
1924-1925	807	216	302	1325
1925-1926	853	219	320	1392
1926-1927	869	247	315	1431
1927-1928	863	270	336	1469
1928-1929	882	285	346	1513
1929-1930	877	285	364	1526
1930-1931	870	285	424	1579
1931-1932	903	324	480	1707
1932-1933	893	318	580	1791
1933-1934	988	325	611	1835

These columns are self-explanatory and need no comment as it is readily seen that the membership in all of the schools is constantly increasing.

Table No. 2.

DATA FOR SCHOOL YEAR ENDING JUNE, 1934

	Grades 1-6	7-8	9-12	Totals
Different pupils enrolled	957	357	654	1968

Average membership	899	325	611	1835
Cases of tardinesses	328	272	789	1389
Pupils not absent or tardy	85	43	38	166
Tuition pupils	42	29	73	144
Visits by Citizens	1312	77	53	1442

For the sake of comparison the totals for the year ending June, 1933, are given.

Different pupils enrolled	1903
Average Membership	1791
Tardinesses	1095
Pupils not absent or tardy	138
Tuition pupils	147
Visits by citizens	1146

It is unfortunate that the habits of punctuality which the teachers in the elementary schools have aided the children in forming cannot be carried on throughout high school. Just at this point it might be said that this applies to many other habits formed in the elementary grades such as, thrift, care of books and other school property, respect for other people, and the rights and property of other people.

It is also unfortunate that more parents and citizens will not visit the high school and see the conditions that exist there.

Table 3 A.

ELEMENTARY MEMBERSHIP, JANUARY 21, 1935

	Grades	1	2	3	4	5	6	Total
Academy St.		53	53	51	54			211
Batchelder St.						58	49	107
Gilford Ave.		25	18	21	15	14	19	112

Harvard St.	31	23	21	25	25	34	159
Mechanic St.	27	23	27	35	27	24	163
Washington St.	24	19	23	18	22	21	127
The Weirs	4	3	2	1	3	5	18
Total							897

Table No. 3 B.

HIGH SCHOOL ENROLLMENT AND MEMBERSHIP

JANUARY 21, 1935

	Enrollment			Left	In
	Boys	Girls	Total	School	School
Seniors	52	50	102	1	101
Juniors	87	90	177	10	167
Sophomores	80	94	174	5	169
Freshmen	102	113	215	12	203
Eighth Grade	89	83	172	13	159
Seventh Grade	89	79	164	12	152
Specials	2	0	2	0	2
P. G.'s	4	1	5	2	3
	501	510	1011	55	956

Comparison of tables 3A and 3B with those of January, 1934, shows that the membership in the first six grades and in grades seven and eight is slightly smaller than it was a year ago, but the membership in grades nine to twelve is considerably larger and that the membership for the entire system is larger than it was one year ago.

For the purpose of comparison we will consider the school year 1925 and 1926 and the year 1933 and 1934.

Table No. 4.

	1925-1936	1933-1934
Average Membership	1392	1835
Current Cost of Schools	\$120,068.87	\$107,993.59
Average Cost per pupil	86.26	59.40
Average Cost per pupil for Teachers' Salaries	56.76	41.00
Average Cost Per Pupil for Books and Supplies	3.96	2.00
Average Number of Pupils Per Teacher		
Grades 1-6	30	35
Grades 7-8	31	32
Grades 9-12	15	28

The average number of pupils per teacher in New Hampshire High Schools last year was 21. In Laconia last year this average was 30, and this year it will be even larger.

It would seem that no further comment is necessary as every one must realize what the results are going to be if the present conditions are allowed to continue.

Through an increased appropriation last spring and by a vote of the School Board the salaries of teachers and other employees were returned to the 1931-1932 level. Of course, adjustments had to be made in the case of teachers who were hired between 1932 and the present year. It has been possible also to replace many worn out and obsolete textbooks, especially in the elementary grades and the Junior High School grades. It has been possible also to make some very much needed repairs which had been put off for some time.

The annual report of 1934 showed in detail the enrollment in each room of the elementary schools and offered suggestions regarding conditions at each building. Enrollment in these schools has not changed materially from last year with the exception of the Washington Street, and the lower grades at Gilford Avenue.

It would seem at the present time that it would be necessary to have an additional teacher at each of these buildings next year.

As has already been indicated it was possible because of the increased appropriation last spring to make some much needed and long deferred repairs during the summer. The big items are as follows: At Academy Street the roof was put in first-class condition, the chimney was topped out, one class room and all of the corridors and stairways were redecorated. At Gilford Avenue the interior of the building, including all of the class rooms, halls, and stairways, were repainted. This work, which had been needed for a long time, made a very agreeable change in the appearance of the interior of the building. The roof at this building also was repaired. At The Weirs school the roof was covered with high grade fire-resisting shingles.

At the high school the gymnasium floor, which was badly heaved as a result of water coming into the building from the brook on Easter Sunday, was taken up, the cement was given a coat of water proofing, new flooring timbers were laid, together with a new floor. Considerable plastering had to be done as a result of the water forcing off the plaster on the walls of the gymnasium. The damming up of the brook and the turning of the current so that a great volume of water entered the ground floor of the high school building was not due to negligence or to the fault of any person.

A reoccurrence of such an accident will not be possible in the future because of the splendid piece of work that has been done in the rear of the high school building by funds provided by the P. W. A. It is hoped that this work may be completed during the spring months. It has already added much space to the playground facilities by the leveling of the entire area north of the football field and the building of a retaining wall on the north side of the lot. At the end of the field another retaining wall is under process of construction which will greatly add to the attractiveness of the pine grove. The officials of the City Engineer's Department have been most co-operative in this work.

In the elementary schools there were two changes in teachers due to the marriage of Miss Foss at Harvard Street and Miss Evans at Batchelder Street. Their places were filled by the election of Miss Fisher and Miss Douglass, both graduates of Plymouth Normal School.

At the high school Miss Aldrich resigned in November to be married, and her place was filled by the transfer of Miss Bujnievicz from the French Department and her work was taken over by Mr. Creteau, a graduate of New Hampshire University, who did his cadet teaching in Laconia.

Last spring the elementary schools sponsored an art exhibit, the proceeds of which were used to purchase a beautiful picture for each building.

In June there was an exhibit of art work of each school in the elementary buildings, and then selections were exhibited at the high school building in connection with the annual exhibit of the practical arts.

Last spring the boys and girls of our high school in the annual Scholarship Contest for the high schools of the State conducted at the normal schools, won first place in Latin, first in Home Economics, and stood seventh in English Grammar.

During the six years that these contests have been held Laconia High School has won first place in Home Economics twice, in English Grammar twice, in United States History, Mechanic Arts, and Latin once each.

Again last year the High School was presented with Phi Kappa Phi Scholarship Award by the University of New Hampshire for the second consecutive year, although last year this honor was shared by Robinson Seminary. This Award is given each year to the high school whose graduates have the highest scholarship averages as freshmen in the University.

Both the Boys' and the Girls' Glee Clubs won first place in the All-State Contest last spring.

The school had the distinction of sending an acapella choir to broadcast over a National hook-up last fall. Miss Wright, our Music Supervisor, received many favorable comments from different parts of the United States regarding this broadcast.

The High School Debating team was one of the four teams chosen by competition for the New Hampshire contest at Bates College, Lewiston, Maine, last spring and won second place, losing by one point only.

In the New Hampshire One-Act Play Producing Contest for plays by pupils of high schools the play written by Audrey Burbank of the class of 1934 was awarded first place in the Play Production Contest held in Laconia.

Sam Clevenson, another senior, last year won first place for students in New Hampshire high schools in an annual sports feature writing contest for the state, conducted by the National Society of Quill and Scroll and Honorable Mention in the National Contest.

The Evening Schools opened in October for two terms of ten weeks each. Classes were established in English, Commerce, Home Economics, and Mechanic Arts, as these were the departments for which enrollments were sufficient to warrant classes. The enrollment and attendance in most of these classes has been very satisfactory until recently when it became necessary to discontinue the class in cooking and to combine two classes in typing and two in shorthand.

Largely through the efforts of F. E. Normandin three classes in English were started this year. The attendance has been very good and splendid spirit and interest has been manifested.

It seems unfortunate that more people have not taken advantage of the opportunities of adult education made possible by Federal funds. The only Federal project in adult education that has been requested in Laconia is one in leather work and block printing. This was established last spring and was continued through the fall months. At the present time rug making has been added to the other branches.

Volunteer classes in physical education for men and women have been organized, and a class for the study and discussion of current events under the volunteer leadership of Reverend Robert Richardson has been maintained.

The other Federal project in connection with the schools is the maintenance of two nursery schools in the

Gilford Avenue and the Academy Street buildings. The purposes of these nursery schools are:

1. To develop the physical and mental well being of the pre-school child.
2. To assist parents in meeting the needs of their child.
3. To restore unemployed teachers and other workers to service.

They are designed especially for the age range of 2 to 4 years but they may be extended to include 5-year old children.

The children must come from needy or underprivileged homes.

A nursery school must have an enrollment of at least 20 children. The local school system furnishes the place of meeting, heating, and necessary supplies. An amount equal to one-fifth of the total expenditure for salaries is available for supplies.

There is one head teacher, and one full-time assistant and a third one who has charge of the health and diet in charge of each school.

The teachers must meet the standards for certification. The teachers and other workers are paid from Federal Emergency Relief Administration funds allotted to the State Board of Education.

Federal funds are available for the purchase of food for luncheons. An estimate of approximately 12 cents per day per child is spent for food.

Much of the equipment of these schools was provided by the local Rotary Club. During the current year the

Rotary Club has spent several hundred dollars in its work for needy children. Laconia Teachers' Association has also been very generous in supplying articles of clothing throughout the school year and at graduation for many boys and girls

Mention should also be made of the gift to the High School by the Misses Nelson of much valuable equipment owned by the late William Nelson.

To all other individuals and organizations who have contributed in any way to the welfare and happiness of our boys and girls appreciation and thanks are extended.

It is difficult to make any recommendations that have not already been made; as emphasized again and again the big outstanding need is MORE ROOM FOR THE HIGH SCHOOL.

Until this need is met our teachers are going to be overworked, our boys and girls are going to be handicapped, and will suffer as a result of Laconia failing to provide necessary school facilities.

The Superintendent appreciates the loyalty and faithfulness of the teachers, the co-operation of the School Board, and of all others who have by their thoughtfulness and their efforts aided his work in behalf of the boys and the girls of this city.

Respectfully submitted,

JOHN S. GILMAN.

LACONIA HOSPITAL REPORT

*To the Honorable Mayor and Members
of the City Council:*

The past year has been a very notable one in the history of the Laconia Hospital. It was stated to you in our report of last year that more room must be provided in order to care for the many in need of hospital service that could not be admitted.

We were confronted with a serious problem that had to have attention. The enlargement has been made and we now have accommodations for over one hundred patients. While our debt had to be largely increased we are confident that with the continued support of Laconia and the towns that center here and the help and co-operation of all the people our financial problem will be taken care of, and we shall continue to maintain a hospital of the highest grade.

You will read with interest the annual report of Miss Williams, superintendent and will be satisfied that the course outlined and carried through by the trustees of the hospital in making the enlargement was fully justified.

LACONIA HOSPITAL ASSOCIATION

By WILLIAM F. KNIGHT

Secretary.

REPORT OF SUPERINTENDENT OF THE LACONIA HOSPITAL

To the President and Board of Trustees:

It is with some satisfaction of accomplishment that I submit my annual report of 1934.

The undertaking of enlarging a hospital while maintaining the routine care of the sick, is not enjoyed by any Superintendent. Due, however, to the efficient management of Lawrence B. Holt, chairman of the building committee, and of contractor W. M. Bisson and the united cooperation of his workmen, very little inconvenience was experienced.

The chief accomplishment of the year was the building of the East Wing.

April second, the ground was broken and the rapidity with which this building was erected was amazing.

September Seventeenth, the first patients were moved into the O'Brien twelve-bed ward, and by the last of the month, all rooms in this wing were occupied. This addition of twenty-three beds gives us a capacity of eighty adult beds.

The nursery was increased from fourteen bassinets to twenty-five. This new maternity department is provided with sound-proof partitions. Included in this suite is a labor and a case room, bathing formula, utility and sterilizing rooms.

A large window in the corridor gives a full view of babies in the nursery which greatly delights fond parents and friends.

The decoration by Mr. Lionel Carignan of the walls in this room with a nursery rhyme frieze in blue, and a stork in colors on the door entering this department, is the cause of much favorable comment.

On September Eighteenth, the transfer was made from the old operating rooms to the new suite in the East Wing, and that same evening, it was used when an emergency operation was necessary.

This new suite, with one minor and two major operating rooms, has proved so workable that three operations can be conducted at the same time. The central supply room has greatly simplified supervision and making of dressings and supplies, and we believe will make an economical showing.

The same number of nurses is adequate though the amount of work has increased a great deal.

The attractively furnished room for the doctors is appreciated by the staff.

Due to the increase of the hospital family, the culinary department was equipped with the following labor-saving devices: an electric mixer, potato peeler, broiler, vegetable steamer and a steam kettle. A larger gas oven was also installed.

A new dining room was provided for employees, the old one having been transformed into a diet kitchen for special diets. This also provides a dietetic laboratory for student nurses' class work.

The former office of the Superintendent is now an attractive dining room for the Superintendent and graduate staff. This is separated by a glass partition from the nurses' dining room, which has been enlarged. The serving

room has been renovated and provided with a steam table and coffee and hot water urns.

To accommodate the housing of a larger class than usual of preliminary students entering October First, the Page cottage acquired last year, was renovated and furnished. This provides accommodation for a graduate nurse supervisor and twelve students.

Credit is due Mrs. Alice Harriman, as chairman of the furnishing committee, for assisting in the selection of furnishings for the Cottage, the East Wing, and many of the privately furnished rooms.

The Rotarians provided funds for purchasing the Simmons beds for the East Wing.

The various bands, of the Hospital Aid, in most cases provided the articles their bands represented and the Hospital Aid spent more than twenty-five hundred dollars in other furnishings.

The proceeds from the entertainment "The Mikado," given at The Weirs by the young girls of "Singing Eagle Lodge" of Center Harbor, substantially increased the Hospital Aid fund.

The Operay Multibeam Light, in second major operating room, was the gift of Mrs. Frank H. Morse of Laconia.

The splendid cooperation of organizations and individuals, who furnished private rooms, is most commendable and their generosity appreciated.

Our laboratory and X-Ray departments, have continued to give valuable service. A dosagemeter has been added to the "Therapy" equipment and the increased num-

ber of treatments given shows the value experienced from this form of therapy.

The completion of the sightly approach to the hospital and the service provided by City Engineer, in keeping roads passable, is fully appreciated by hospital family, pedestrians and drivers of cars.

SCHOOL OF NURSING

Number of applicants admitted during 1934	23
Number of students accepted during 1934	12
Number of students graduating during 1934	7
Number of students in senior class ending 1934	8
Number of students in intermediate class ending 1934	10
Number of students in preliminary group Dec. 31, 1934	13
Number of students to discontinue training during 1934	8
Number of days lost by illness,	123½
Number of days lost by leave of absence	234½
Number of days lost by vacations	345

March First—Miss Ruby J. Gordon was engaged as full time instructor. Miss Gordon is a graduate of the Lawrence General Hospital, Lowell Normal School and received her A. B. degree from Radcliffe College, Cambridge, Mass. Classes have been maintained with regularity. An effort has been made to meet the increased requirements of State Board of Nurses education.

The school is indebted to the doctors for their time, interest and service in giving lecture courses to the nurses, also for the care of students during illness.

For the achievements of the past year, I feel greatly indebted to the cooperation of the Staff, Trustees and loyal corp of workers.

Respectfully submitted,

LILLIAN G. WILLIAMS,
Superintendent.

STATISTICAL REPORT

Number of patients in hospital on January 1, 1934	30
Number of admissions in 1934, male 829; female 1320; Total	2,149
Total number treated	2,179
Number of days service given	23,746
Average number of patients per day	65
Average length of time patients remained in hospital (days)	*10
Obstetrical cases	244
Total babies, including two sets of twins	237
Medical cases	495
Surgical cases	1413
Children, medical 262; surgical, 480; Total	742
Largest number of patients any one day	81
Smallest number of patients any one day	33
Number of operations performed, major 500; minor 1126; Total	1626
Number of X-Rays taken	1328
Number of X-Ray treatments	690
Number of out patients	1952
Number of patients discharged	2111
Number of patients discharged well	1605
Number of patients discharged improved	151
Number of deaths	60
Number of stillbirths	3
Number of prematures	9
Number of special nurses employed by patients	365
Number of days used by special nurses	3,687
Patients assuming responsibility of paying accounts	1,626

State Aid cases	392
City cases	73
Number occupying endowed beds	3
Guests of the hospital, (faculty and pupil nurses)	19

Of the sixty patients who died in the hospital, three were moribund when admitted.

REPORT OF BOARD OF HEALTH

To the Honorable Mayor and City Council:

There have been no serious outbreaks of contagious diseases in Laconia in the past year with only an average number of cases requiring quarantine.

This year for the first time we have had a full time milk inspector and a report submitted by him follows showing a steady improvement in the milk supplies of this city.

A summary of the work of the past year:

Nuisance complaints received	24
Nuisance complaints investigated	24
Found Justified	18
Nuisances abated	16
Nuisances abated after reference to city solicitor	2
Contagious cases reported to State Board Health	258
Wasserman tests taken	22
Arsphenamine treatments given	52

At the beginning of the present school session a vaccination clinic was held at the high school for children whose parents were financially unable to pay their family physician.

J. GRANT QUIMBY, M. D.
E. J. GAGE, M. D.
W. E. FLOYD

REPORT OF PUBLIC HEALTH NURSE

Report of Public Health Nurse for month of January 1935

Number of visits made during month 294

MEDICAL	115
SURGICAL	124
MATERNITY	12
PRENATAL	12
POST NATAE	17
HOME VISITS (Instructive)	24

Receipt for city cases \$6.00

REGIS H. LEAVITT, R. N.

REPORT OF THE MILK INSPECTOR

Much more was accomplished this year than formerly by the Board of Health in milk inspection work. The necessary funds were made available for the first time in Laconia to carry on full time work. This made possible the following through of a successful program of systematic inspection of dairy farms, regular testing, and checking of recommendations made on the farms.

All dairies supplying milk to Laconia in the unpasteurized state were regularly inspected and scored as to equipment, general conditions, etc. Samples of milk and cream were taken and tested in an average of every five weeks from every producer.

Stores were inspected for adequate milk storage facilities and licensed. Tests were made and results given whenever requested by stores, dealers, producers and customers.

New laboratory equipment made possible better examination of milk and more accurate identification of sources of contamination.

To help offset the cost of full time inspection work, Board of Health officials required an inspection fee of all producers and dealers. This is small enough so that it is felt, it is more than offset by the value of the work to producers and dealers themselves.

There was a slight falling off in the number of producers in the last year. Several producers with inadequate equipment were dropped from the local market. New producers allowed to sell in Laconia are necessarily improvements over those refused licenses.

The quality of milk sold in Laconia is superior to that of former years as is shown by comparison of records kept over several years.

GENERAL MILK INSPECTION STATISTICS

Classification of Dairies According to Score Cards (Indorsed by official Dairy Instructors Association).

Score:	60-65%	65-70	70-75	75-80	80-85	85-90
Number	12	15	18	20	13	5
Samples of milk and cream analyzed						528
Samples unsatisfactory (high bacteria counts)						44
Samples unsatisfactory (high sediment content)						51
Samples low in butter fat or total solids						17
Inspection details:						
Stores, restaurants, etc., inspected						83
Stores, restaurants, etc., reinspected						21
Wagons and trucks (milk) inspected						96
Visits to dairies						763

Dairies scored	95
Visits to creameries	42
Licenses:	
Number of licenses granted to stores, etc.	83
Number of licenses ganted to producers-dealers	80
Number of licenses granted to dealers	5
Number of licenses held up for required improvements	5

AVERAGE TEST RESULTS BY MONTHS

	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.	Jan
Butterfat	4.30%	4.23	3.96	4.17	4.24	4.23	4.04	4.43	4.08
Total Solids	12.19%	13.00	12.44	12.47	12.65	12.40	13.24	13.17	12.63
Bacteria count	34,425	40,177	39,530	45,676	56,840	33,433	29,453	37,900	35,671

License money:

Money received from stores, restaurants, etc.	\$167.00
Money received from producer dealers	171.00
Money received from dealers	23.00

 \$361.00

Paid City Clerk as per his réceipts	\$361.00
-------------------------------------	----------

Respectfully submitted,

F. A. SMITH,

Milk Inspector

STATE BOARD OF HEALTH, DIVISION MATERNITY, INFANCY AND CHILD HYGIENE

Maternity Clinic held third Wednesday of each month
at the Hospital. Dr. J. R. Perley is the attending physician.

Attendance for the year 31

New patients 16

Vivian M. Jennings, R. N.

Field Nurse

REPORT OF LIBRARY TRUSTEES

To the Honorable Mayor and Members of the Laconia City Council:

The Laconia Public Library was established for the free use of all the people of Laconia. We should constantly appreciate it and be thankful for the great benefits received from its use. Especially should we be grateful to the one to whom we are so largely indebted. We cannot be too often reminded of the gratitude we owe to Napoleon B. Gale for the gift to Laconia of our beautiful library building and the endowment from which interest is received that cares for the grounds and assists in the expenses and the purchase of books.

The least we can do as a mark of our respect and gratitude is to provide funds to keep the building in proper condition and well supplied with good books.

Out of the appropriation made last year by the City Council and the income from invested funds over fifteen hundred dollars was saved and invested in the purchase of books.

The library during the past years has been the source of much pleasure and benefit to many of our citizens who were out of work. Never in its history was there a period when it was of such great value. There can be no doubt of its continued usefulness.

The year has been a very busy one at the library, for Miss Clark, librarian, and her assistants. The circulation of books at the main library was 75,956 and at the branch

at Lakeport 18,192, making a total of books circulated during the year 94,148. We are grateful for the gift to the library of 208 books during the year.

A bulletin has been printed showing the books added to the library during the past six months.

Under the effort and supervision of Mrs. Harriman a member of our board of trustees, Book Reviews have been held that have been well attended and proved of much interest. A small admission has been collected with which several good books have been added to the library.

The Story Hour for the children with Mrs. Shirley Lyman as the story teller once a month has been held at the main library and the Lakeport branch and has proved of much pleasure to the little folks. Many have attended.

LACONIA PUBLIC LIBRARY

WILLIAM F. KNIGHT,

President

REPORT OF THE TREASURER

To the Board of Trustees of the Laconia Public Library:

I herewith submit my report as treasurer for the year ending February 15, 1935, as follows:

Cash on hand Feb. 15. 1934	\$ 176.94

TRUST FUNDS

REPORT OF THE TRUSTEES

In caring for lots in the city's charge the trustees have ever in mind making each lot look as well as possible with the income at their disposal. Simply cutting the grass and watering a lot a certain number of times is a small part of what can become essential with the passing of years.

The trustees find it necessary to have any one or all of the following done: bunch grass and moss removed, graves filled, stones re-aligned and cleaned, lots re-made and, where funds are available and lots are in excellent condition, extra water, loam and fertilizer are ordered to help keep them so.

With shrinking interest rates in our banks it is quite plain that a \$100.00 fund hardly takes care of a so-called seven grave lot and that same amount on a square lot perhaps means nothing more than grass cutting. In compiling this year's report a (*) has been placed after all expenditures that included outlay for any of the work mentioned above.

In closing the trustees suggest that in the future our cemeteries not be made part of any club initiation or stunt.

To the auditor of the City of Laconia:

We respectfully submit our report for the year ending February 15, 1935:

FIRE DEPARTMENT

To the Honorable Mayor and City Council:

Dear Sirs:

During the past year of 1934, the Laconia Fire Department has responded to one hundred and seventy-one (171) still alarms; thirty-two box alarms (32); eight (8) out of town calls and one (1) false alarm.

The Fire Alarm System has been improved with a new storage battery complete, at a cost of five hundred dollars (\$500.00); new fire hose has been purchased, and all of our other equipment is in good condition. We have purchased new fire coats to replace the old ones which have been in service for several years.

We are starting the year 1935 with a well organized department each company has its full quota of experienced men who are real fire-fighters and can be depended upon night or day.

The entire Department extends its sincere thanks to the Laconia Police Force for their co-operation. They have always rendered us invaluable service and we appreciate their many kindnesses.

Through the efforts of our Mayor and City Council, we have been able to maintain the efficiency of our Department.

I think that all of our citizens are aware of the support that has been given to the Laconia Fire Department by the Scott and Williams Inc., through the untiring efforts of Laurence B. Holt, General Manager, and Superintendent Wilbur W. Wooldridge, who is also Chief of the Volunteer Fire Department of that good concern.

Respectfully submitted,

ARTHUR W. SPRING,

Chief of the Fire Department.

BOARD OF PUBLIC WORKS

Laconia, N. H., February 15, 1935

To the Honorable Mayor and City Council:

We hereby submit the thirty-fourth annual report of Board of Public Works together with the detailed report and recommendations of the City Engineer and Superintendent of Streets and Sewers.

The routine maintenance work of the Department has been carried on during the past year and such special work as has been authorized, as will appear from the appended reports, showing in detail all expenditures.

Included in the special work accomplished during 1934 are a number of jobs of considerable importance, notably Elliott Street improvement; Main Street widening, north of Mill Street; widening at intersection of Main Street and Union Avenue; over eleven thousand square yards of new sidewalks; widening, draining, and gravel resurfacing of about seven and eight tenths miles of earth road; and the improvement of the Marsh Hill and the Meredith Center Roads.

On much of this work the City received financial assistance from the Federal and State Funds, under CWA, ERA, and ERU allotments. This assistance has been of substantial benefit in the relief of unemployment and has also resulted in considerable improvement to our highways.

While the severity of winter conditions the past year has entailed heavy expenses for snow removal, the men of the organization have done good work and are entitled to credit and should be given a word of praise for their efforts. The Department is greatly handicapped so far as equipment is concerned for our tractors are both old and expensive to maintain, and the need for a new heavy duty truck and plow unit to supplement our present equipment, seems to us absolutely imperative.

In former years it has been the custom of the Board to offer recommendations, not only for the so called General Maintenance Appropriations, but to suggest certain special construction work, for consideration for the ensuing year. In view of rapidly changing conditions and the possibility of Federal participation in certain approved projects, it seems inadvisable for us at this time to urge any particular special work, but rather to confine ourselves, so far as recommendations go to urging an adequate appropriation for routine maintenance.

The Board recommends the following general appropriations for the ensuing year:

Bridge Repairs and Maintenance	\$ 700.00
Cleaning Catch Basins	1,800.00
Cleaning Streets	4,700.00
City Engineering	1,800.00
Cutting, Trees, Grass, Brush	1,000.00
Insurance	800.00
Highways & Bridges (General Repairs & Maint.)	19,000.00
Maintenance of Macadam	4,500.00
Drain Repairs and Maintenance	1,300.00

Sanding Sidewalks	1,500.00
Collection of Ashes and Waste	5,250.00
Sewer Maintenance	4,200.00
Street Oiling	9,500.00
Recovering Sidewalks	3,100.00
Winter Expenses	20,000.00
Purchase of Equipment, Compressor, etc	3,000.00
Purchase of Equipment, Snow Plow & Truck	9,000.00
	<hr/>
	\$91,150.00

Special Appropriation:

Supplies & Supervision E.R.A. Projects,

Estimated Cost	\$6,000.00

SURFACE WATER DRAINS

Careful attention was given to repair and maintenance

of existing drains and some small additions were made in connection with other improvements. No extensive drain construction was undertaken.

GRAVELING ROADS

The allotment for improving Class 5 roads from the State Highway Department amounting to \$8,365.15 was expended on the following roads; Smith Road, Watson Road, Roller Coaster Road, Meredith Parade Road, Meredith Center Road, Trojano Road, Hilliard Road, Pitman, Eastman and Blueberry Roads. About 7.8 miles of roads were improved.

COLLECTION OF ASHES AND WASTE

The contract with Mr. Wm. G. Hamilton, entered into in 1933, was continued and satisfactory service was rendered by him.

SIDEWALKS

A large program for the construction of sidewalks was carried out at a cost of \$15,554.68. 3,446 sq. yds. of bituminous sidewalks were recovered and 11,431 sq. yds of new sidewalks were laid on the streets shown in the financial statement above.

ELLIOTT STREET

The approach to the Laconia Hospital over Elliott Street was constructed, in part as a C.W.A. project for which funds were furnished by the Federal Government, and in part by the City of Laconia whose share in the cost was \$4,407.15

The work consisted of relaying water and gas mains, reconstruction of sanitary sewer, construction of surface water drains, retaining walls, concrete curbings, bituminous

concrete sidewalks and a bituminous penetration pavement. The additional land needed to widen Elliott Street was deeded the city, free of cost, by the Hospital Association, who previously had purchased the land and removed the buildings standing on the same.

MAIN STREET WIDENING

The curbing on the easterly side of Main Street from Mill Street northerly to the B. & M. Railroad was set back a distance of from 6 to 10 feet in order to add this width to the travelled part of the street. Sidewalks and drains were reconstructed and the street pavement widened to the new curb line.

This improvement is a great help to the congested condition of the roadway of this street.

MAIN STREET AND UNION AVE. WIDENING

The congested condition at the intersection of Main Street and Union Avenue was relieved by relocation of the curbing and the widening of the pavement at this point.

The additional land taken was deeded the city by the owners, The Standard Oil Co., of New York and Miss Bessie Clow, at no cost to the city. The total cost of this project to the city was \$913.63.

MEREDITH CENTER ROAD

About two and one half miles of the Meredith Center Road was reconstructed with a graveled surface. This work practically completes this stretch of road in accord with State Highway specifications. When completed the State Highway Department will take over the entire length for maintenance.

Funds for this construction came from an appropriation of \$5,500 by City and \$17,518.87 from the State.

GENERAL

The extreme winter conditions from February 15, 1934 to February 15, 1935 made it necessary to expend much more than the usual amount for winter expenses, plowing, sanding and snow removal.

Much of our snow plowing equipment is getting old and somewhat obsolete and the cost of repairs is consequently heavy. This department should have a heavy duty snow plow truck to help out the equipment we now have.

Engineering, supervision and materials for C.W.A. and E.R.A. projects have made a heavy drain on this department, although nearly all the common labor was furnished by funds from the Federal and State Governments. The continuation of the projects now on hand will call for an appropriation to cover materials, supervision, etc.

Respectfully submitted,

CHARLES A. FRENCH

City Engineer, Supt. Streets and Sewers

CITY SOLICITOR'S REPORT

To the Honorable Mayor and City Council, Laconia, N. H.:

Gentlemen:

I herewith submit my report as your Solicitor for the year 1934.

There is pending only one case on the docket of the Superior Court for Belknap County. It is a petition brought by the City against one Morris Nick seeking to have his maintenance of a nuisance on Messer Street abated. The case has been tried and now awaits the decision of the Court. Several other cases have been disposed of during the year.

I have attended the sessions of the Municipal Court daily and have prosecuted all cases that came within my jurisdiction.

All matters referred to me by the various departments of the City have been given proper attention.

During my five terms as your City Solicitor I have made many friends at City Hall and as this is my final report before taking over the duties of the office of County Solicitor I wish to express to the Mayor and Council my appreciation for the confidence they have placed in me. The City Clerk, Engineer, Tax Collector, and Treasurer have co-operated with me in every way and have made the performance of the duties of my office a pleasure.

Yours truly,

HAROLD E. WESCOTT,

POLICE DEPARTMENT

REPORT OF POLICE COMMISSIONERS

To the Honorable Mayor and City Council:

We respectfully submit the report of the Police Commission and Chief of Police George N. Hubbard for the year ending January 31, 1935.

We would like to call attention to the amount of extra work that our regular officers do without extra pay. They do not receive additional pay for extra work. These men are subject to call twenty-four hours a day. They attend all fires of any importance. During the summer five additional men are on duty on the street Saturday evenings. The men give extra time during the Sled Dog Races and other special events. The department is rendering special protection to homes that are closed during the summer. An officer inspects each home at least once every night. We are anxious that the public realize and appreciate these extra services that the officers render.

A wave of crime exists throughout the United States. It has been our endeavor to continually improve the efficiency of the department so that we will be prepared to cope with any type of crime that might occur. We feel that the efficiency of our department has been in a large measure responsible for our city's being comparatively free from crime.

We respectfully urge your careful reading of the Chief's report which gives a comprehensive report of the services rendered by the Police Department.

CHARLES J. PITMAN,
CLARENCE E. ROWE,
JOHN M. GUAY,

Police Commission.

REPORT OF THE CHIEF OF POLICE

GEORGE N. HUBBARD,

Chief of Police.

REPORT OF THE CLERK

To the Honorable Mayor and City Council:

Gentlemen: I herewith submit my annual report as Clerk of the Municipal Court of Laconia.

The criminal cases brought before the Court and disposal of the same are shown in detail by the report of the Chief of Police. The cash receipts of the Court and the disposition of same summarize as follows:

RECEIPTS

Received from fines and costs	\$5,217.99
Writs, warrants and entry fees	15.60
	<hr/>
	\$5,233.59

PAID AS FOLLOWS

Witness' and officers' fees	\$167.68
Clarence S. Newell, treasurer, cash	5,065.91
	<hr/>
	\$5,233.59

Respectfully submitted,

EARL FLANDERS

Clerk.

REPORT OF OVERSEER OF THE POOR

To the Honorable Mayor and City Council:

Gentlemen:

I herewith submit my report as Overseer of the Poor for the year ending February 15, 1935.

Previous to January 1, 1935, relief has been furnished under the direction of the State Relief Administration in Concord, with the city paying 25% of the total expenditure. Since January 1, the city has assumed the full burden of relief, Federal and State direct aid being discontinued on that date.

During the year, Mayor Carroll has succeeded in securing Federal approval for several work projects which have given employment to many men, and is now asking the government to furnish money for sufficient projects to give every unemployed man in the city a job. These projects consist of much needed improvements which local tax payers could not reasonably be asked to finance.

The demand for old age assistance is increasing, but is a commendable way of caring for the aged. It should, however, be financed by federal and state funds under the head of pensions, instead of being in its present status as a local liability.

The calls for relief are increasing, and there appears to be no immediate solution of the problem. Every citizen of Laconia should make it his personal duty to co-operate with the mayor in his effort to bring to Laconia reliable industries which will provide full time employment.

Respectfully submitted,

A. C. S. RANDLETT,

Overseer of the Poor

REPORT OF TREE WARDEN

To the Honorable Mayor and City Council:

I hereby submit my report, as Tree Warden of the City of Laconia, for the year 1934.

After considerable expense to the city, the moths on shade trees are under control. I believe that a small appropriation should be made to remove the nests of these pests before they hatch in April.

Also, there are several dead branches on Maple trees, which should be removed and the trees pruned this year. Many of our shade trees are decaying from old age, and eventually will have to be removed.

Respectfully yours,

ARTHUR W. SPRING,
Tree Warden.

GARDENS REPORT

To His Honor and City Council:

I hereby submit my report of sixty-two city gardens during year 1934:

Potato yield 858 bushels at 50c	\$429.00	
Sold 4 bushels seed potatoes at \$1.25	5.00	\$434.00
Paid for plowing and harrowing	79.50	
Paid for 70 bushels seed potatoes at \$1.25	87.50	
Phosphate and small seeds given by the State of N H.	151.25	\$318.25
		<hr/>
		\$115.75

The gardens have been faithfully cared for as a result there has been a supply of fresh vegetables and can goods and a good yield of potatoes for winter use.

OSCAR L. HOYT

PARK COMMISSION

To the Mayor and Council of the City of Laconia:

Gentlemen: The Park Commission is pleased to submit for your consideration its twentieth annual report.

The Opechee Park Playground was once more under the supervision of Mr. Reginald Clement and Miss Anna Collin, and was a most successful season.

The Opechee park playground opened Monday morning July second. The first week was devoted to straightening out the equipment, organizing tournaments and the baseball team etc. The point system was used again this year and proved to be very successful, not only for athletics but also in keeping the grounds looking neat.

The new beach at the West end of the playground was not used by the playground children. It proved to be too dangerous for the younger children as there is no proper place for them to wade out into the water; but it was a big help in the way of keeping the adults away from our beach during our swimming hours. Our swimming beach was kept in fine condition all summer. There was a nice sandy bottom for the beginners and swimmers as far out as the two little platforms all summer.

This summer, sixty-three passed their Beginners Test and fourteen passed their Swimmers Test. During the last four weeks instructions were given to a Life Saving class of twelve people among whom four Seniors and one Junior successfully passed their tests for their Life Saving emblem. Some could not be recommended for the test.

Two new games were introduced to the playground this year; ping pong and badminton. Of the two, ping pong was by far the most popular although the badminton game was in use all day long as long as we had shuttle corks to play with. The regular badminton rackets were not used, but ping pong paddles were used instead.

In our opinion, the greatest improvement on the playground this year was the erection of the toilets. It not only served its immediate purpose but it did away with the old toilets and helped to keep the grandstand clean.

Tennis, ping pong and badminton were the three most popular games on the playground this year.

The average attendance this year was 175 and only one rainy day interrupted our program.

The city of Laconia in conjunction with the C.C.C. camp, made many improvements in constructing a bathing beach and bath house for the use of the public, a new toilet, and a fence around the playground section of the Park to protect the children from automobile accidents.

A new portable stand was erected which can be used by the children and the public at all times.

LEAVITT PARK

Under the direction of Mr. Charles F. Peterson and Miss Alice Rowell, Leavitt Park had a most successful season, with an average daily attendance of 194.

During the season two all-day hikes were made to Mt. Belknap, 14 of the girls with Miss Rowell made up one party and 42 boys with Mr. Peterson the other, these

are annual events and much enjoyed by those who participate, the girls came back the same day, but the boys stayed over night.

The event of the season, looked forward to by the general public is the carnival, much enjoyed by everyone. This year's was a most successful one and netted nearly \$100.00 for the equipment fund.

The Community House was occupied constantly by those who wished to use the games provided and was a popular place whether the weather was bad or the sun shone.

At Sandy Shore the interest was maintained, over 40 children earned the "beginners" buttons and 10 earned the "swimmers" buttons. The swimming races brought the largest crowd yet recorded more than 150 being present.

Many successful events were recorded, among them, the pet show, a circus and "dress up day", a field day, and the four team Twilight League baseball games.

The cooperation of parents and friends is decidedly apparent and much appreciated. Many more activities are possible and likely in future years, as with not great expenditure of time or money Leavitt Park could become a real community center under its expanding program of activity.

The South End Playground supervised by Miss Helen Ford had a very successful season, the attendance was double that of any previous season.

This playground has a very efficient parents organization which this summer held a carnival which was attended by more than 1,000 people and quite a sum of money was received.

A building of some kind should be constructed for a shelter with toilet facilities for the children. The commission recommend that the appropriation be the same as last year, with a reasonable allowance to repair damage to the bath house since the close of the season.

The Commission and Instructors wish to extend their thanks to the Mayor and Council for their appropriation and the interest manifested to the C.C.C. camp for their assistance, and to the public for their cooperation.

Respectfully submitted,

ALFRED C. WYATT
BERNICE M. SEAVERNS
C. E. ROWE
W. E. DUNLAP
ELIZA J. SOULE

AUDITOR'S REPORT

To the Honorable Charles E. Carroll, Mayor, and the City Council, Laconia, New Hampshire:

Gentlemen:—

Pursuant of my duties as City Auditor, I have audited the financial accounts of the City of Laconia for the fiscal year ended February 15, 1935.

I present herewith the following Statements showing the financial condition of the City as at February 15, 1935, the appropriation accounts and the Excess and Deficiency credits and debits during the year.

Exhibit I—Appropriations Account year ended Feb. 15, 1935.

Exhibit II—Excess and Deficiency Account.

Exhibit III—Balance Sheet as at Feb. 15, 1935.

Exhibit IV—Serial Debt as at Feb. 15, 1935.

The following items appearing in the balance sheet are commented upon as follows:

ASSETS

<i>Cash</i>	\$42,613.70
-------------	-------------

The cash balance was verified by the various bank statements with the records of the City Treasurer and compared with the ledger of the City Clerk.

Property sold to City for Taxes \$14,460.76

During the year under review the city purchased unpaid taxes assessed on real property as per the lists.

Taxes redeemed Paid by City \$6,283.23

During the fiscal year ended Feb. 15, 1935 tax payers redeemed subsequent taxes paid by City.

Accounts Receivable—Taxes \$65,718.35

The collector's records of unpaid taxes were examined by me and lists were drawn thereupon by me and lists were drawn therefrom and compared with the controlling accounts in the City Clerk's ledger. I examined warrants from the Assessors to the City Tax Collector covering the commitments of taxes for 1934 and commitments of additional taxes for 1934 and prior years. All abatements of taxes were supported by properly approved vouchers from the Assessors. Provision has been made for abatements that may arise.

Deficit \$4,816.40

This was due to unexpected expenses that arose during the year and necessarily had to be taken care of.

LIABILITIES

Miscellaneous Liabilities \$751.87

This account was reduced during the year. Interest coupons due in prior years were presented for payment and charged to this account.

Leavitt Fund \$313.14

The account was examined and verified.

Motor Vehicles 1935 \$6,764.75

The footings of the City Clerk's records of motor vehicles' fees received were verified and the amounts were checked with the City Treasurer's records.

Notes \$75,000.00

Due to the delinquent tax payers this loan was necessary to meet the current expenses of the City.

Unexpended Appropriations \$49,481.59

Appropriations made during the year under survey were verified with the records of the City Council. All Payments during the year were properly approved on the Treasury Warrants. I examined the records of the City Council and found approvals of all transfers.

Exhibit II of this report shows in detail the debits and credits for the year under review.

SERIAL DEBT

The Serial Debt outstanding at Feb. 15, 1935 is detailed in Exhibit IV of this report showing a net decrease of \$36,250.00. This Serial Debt has been steadily decreased for six consecutive years and no new bonds have been issued during that time. The Serial payments of Bonds and Coupons were examined covering the debt matured during the year.

CEMETERY FUNDS

The trust funds were invested as follows:

Principal of Trust Funds—City Bonds	\$16,000.00
Principal of Trust Funds—Savings Bank	27,988.59
Principal of Trust Funds—2 Shares Laconia Water Co.	100.00
Principal of Trust Funds—First Lib. Loan—4¼ %	50.00
	\$44,138.59

I examined the above Securities and pass books evidencing the deposits in the savings banks. Expenditures of trust funds during the year were supported by detailed vouchers. The income and disbursements of all trust funds were detailed and properly recorded on all trust fund records.

LIBRARY TRUST FUNDS

The books of the treasurer were examined. The securities and savings bank books were examined by me and the balance of the commercial deposit was reconciled with a statement from the depository. The expenditures were properly vouched for.

I desire to express my appreciation of the courtesies, extended to me during the course of my examination by all the departments.

Respectfully submitted,

CHARLES F. AYERS,

Auditor.

CERTIFICATE

I hereby certify that the accompanying balance sheet and statement of Serial Debt reflect the financial condition of the City of Laconia, as described by its books at the close of the fiscal year ended Feb. 15, 1935. I further certify that I have audited the income and expense accounts of the City for the year and have found them correct as detailed in my report submitted herewith.

CHARLES F. AYERS,

Auditor.

SUMMARY OF VITAL STATISTICS

Number of births	305
Number of marriages	124
Number of deaths	191
Number of births not previously recorded	15
Number of deaths occurring at Belknap County Farm	10
Number of bodies brought here for burial	53

By Chapter 106, N. H. Laws of 1917, the Clerks of Cities and Towns are required to send a copy of every child's birth certificate to its parents, and if said copy is not received within sixty days from date of child's birth, the parents should notify the City Clerk, in order that same may be placed on record.

Efforts have been made to make the records of vital statistics correct as possible. Should any error or omission be detected, the City Clerk will appreciate the kindness conferred by being informed of the same, that the records of the city may be made right.

EARL FLANDERS, *City Clerk.*
